Dear Members of the Faculty of the DIH Global Leadership Academy,

We Did It! Thanks to you the Class of 2021 completed the six months Global Leadership Development Program offered by the International Black Women's Public Policy Institute (IBWPPI).

Thanks to you, the 16 women are much more prepared to address issues facing Black women internationally; and much more prepared to help create change for the better to enhance the quality of life for women, their families, and communities.

Thank you for those who were able to join us on Saturday morning. It was a special time for the graduates and their families. For those unable to be with us, click the link below for the full 1 hour and 20-minute presentation. There are some incredibly special moments you will enjoy.
